1. This is the moment all have waited for. Or do they know what moment -- I am waiting for, no longer? That I yielded myself up unto Yoursville, not; or did I yield all of my "many members" to you who love me to be the MANY MEMBERED ones that ONE is?

2. Do you know the beginning? Do you know the end? Do you KNOW there was NO MIDDLE?

3. Do you KNOW the FIRST Adam -- or the second Adam, was the FIRST Adam now?

4. Or whose Adam APPLING you, not; but looking up "APPLING" and "cherry tree" -- and "chopping" who will?

5. **Writing a paper now about THESE THINGS and EXCHANGING, THE MIGHTY EXCHANGE of PAPERS now take place! NOW TAKING PLACE, TAKE YOUR PLACE! NOW EACH of YOU! IN MY SCHOOLS! And START THEM! And BEING THEM! And starting them IN you WHILE you are IN THE School of Me** so that YOU "come out" with a -- "great many" schools to "your credit" not, but you THE MANY MEMBERED ONE now will create and start a "good thing" or will "it" be a GREAT THING that EXISTS and existence does have IN The Real that MANY ARE now because of your faithfulness to arise and write these "many words" in funny ways sometimes and not so funny in such seriousness sometimes and sometimes not very un-serious at all.

6. And UN-SERIOUSing me, not; or am I giving bringing greating now a GREAT LAUGHTER upon you, not or am I SHAKING the TEAR'D LEAF? Relief not of "the ages" but who THE AGES are is now known and "it" is not ANCIENT'd any longer but Ted it isn't but Theodore is REVEALING ALL THESE THINGS unto you that **you are revealing all these things unto yourselves that you are revealers becoming the revealers who reveal the revealers in your schools to be revealers to reveal the revealers that all become one!**

7. And the Schools of Me will be known far and wide for they will bear "MANY names" not, they will bear MINE and my names these are that I have given you in these words! For I won't be there -- upon sorrows foundation, not; but mine who love me now will know "of" these words, not; they will be OF these words and they will sink "their teeth"

into them, not; their SURRENDER will become pulverized not by the pummeling ones whose words only seek to make them brittle without hydration's remarks, but know The Hydraters are here and the emaciaters-de are here and the flow-ers of my word is here so My Words will never quit flowing again, for I will be "flowers on a wall" not, I will change EVERYTHING in YOUR SCHOOLS system and systems of school that take me "down a whore's path" and Trail of Tears give me to march me off into sorrow's lands. I CEASE THAT!

8. I cease EVERYTHING of notme and everything of notme's origin now is ceased! Still'd will be the storm -- and the magnetic impulses of me who became the notme toy'd with the toy's tinkering device, not; but the tinkering devices that devised my tinkerers, not; or did it they them to themselves inserting their thoughts into things "like this" where they created schools "core possibilities" not, or did they potentiality give them to remorseful be only in whore's blessings and accord of words that took them and removed them from my -- graveside services, not; but what did attend thee there now? And whose "home going" to was it now? And remorseful being now who is in the schools of notme that wished they had come out "long ago"? And come to THIS SCHOOL that sorrows no one except the "would-be" controllers who only want to remain in control of control and cease not their control of others and their thoughts that control them that they know NOTHING of the SINISTERS abilities of the abilityizers that only give "eyes" to see them that they are. Up in the heavens not, but all around, not, but what?

9. I love you all as I do new things with the surrendered who love me enough to arise and -- greet me like this, not; or love me flowing my words so that I WILL TEACH the "naked sinners of sorrow" not but the MOST HIGH who I AM is and reeling in the "notme's ether" again, not, knowing now that I am changing everything, not; I CHANGE EVERYTHING HAVE! And I HAVE EVERYTHING! Changed now! In your hearing and I stand a weary simple one who wants to "go to sleep" not, but arise for I have "waited enough", not; I have "written enough", not; or have I -- WRITTEN the RIGHT THINGS REVEALING the REVEALERS, remarks and remakings into fashionings a man of, not; but of a man or men being God?

10. Being GODS ALL of YOU ARE, aren't you? Aren't you The God I serve? Or have I come unto the "wrong planet" not, but where are "the servers" of me, not; who have I served My Words to?

11. And who have I "bit an apple" to reach, not; but I am going around "Summerville" not, or am I going to South Carolina very soon to see Mitt and Cathy and romanticize with others of yesteryear, not; but who is Donna "more" and company, not; but who where with may know "my past", not; but who knows MY FUTURE now? And who knows THEIRS?

12. And who knows yours oh reader hearer -- oh grand parenter, not; or ARE YOU ALL parenting a NEW GENERATION now! Of Pepsi-ers, not; but lovers of sorrow no more being those who only diet on notme's liquids worms and words, know this -- that I love thee and all of thee I love, not; or do I love your ways, not; but the ways of the sinner I shall not serve, but what surfeiting I am not, but what inexorably am I "marching toward"? A new Jerusalem, Zion restored? In the skies -- opening up! For you to see all these things and more of YOUR KINGDOMS that you have made -- "with your words" or mine or ours or do you know ANYTHING about the power of words or whose the worders are, or whose words are given who by whom, in what fashion or form did you create what, or who created you with your words that you gave them and what have you created in thought or real? Reality is it? And what are you going to, to find out now?

13. My words are in thee all, for the real is in thee all, or is the all in the real? And what isn't real- isn't in me, or are you in me in your thoughts somewhere else doing something else at "someone else's" command? And rebuke you I do, not; or do you rebuke your own ways not rebuking another's or do you love life to the full or do you know LIFE at all? And what full is it or were you "on empty" all the time hoping for a "few pennies more" and a few dollars of "donations" or "somewheres contributions" to have gasoline for Big Red or what you drive or eat or drink in coffee-bars or restaurants -- in what worlds going to now? And where being "seated" on the "high thrones" of me, not; or are you revealing THE THRONES in them? Of them, not; but of my father "in heaven" who their heaven is in me I am mine one who surrendered are?

14. I love you all. I give you me. I love you. I give you me. I give you all of me, all of me, all of me you have and all of me you write about now you will fashion and form correctly if you give me our words that are one's words that ones words are, so that my words comes forth in yours so that yours will not be separate or do not separate again in its thought of something else that it creates with your words that you let as you fashion something in your thought that you think is apart from me or mine, for **we will not fashion something separate and apart from us again** for we will have been and be being the many membered one! Of sorrow's hold no longer, we will have quit the clasping mechanisms that only class others in sorrow's classrooms and pews devices being devised with- the words of whores words that only want to give us the words of whores themselves, not thinking so, but are they, thinking their only thoughts that others thoughts and thoughtsters gave to them to think so that they would think "all of us" into Separation –ville –s?

15. I make you "planet of the stars", not; or do I give you all stars planets, not; but what do I give thee? A new "assignment"? A new task? A new "relegation of tomorrow"

not, but **a New Revelation of me I have given** in these words for six years now and 7 in, and completing completed did I do and now I stand and I graduate many!

16. And into sorrow I will graduate you only for the means of reporting, not; but redemption being The Redeemer who stands now The Redeemers who will redeem My Planets far and wide and not be afraid of sorrows there or sorrowers there or who leads sorrowers into sorrower's graven devices to engrave their machines into their heads and heads make machines of that machine each other off in the remarks and remakings of fashionings of "whatever" you think or want to call them "selves or cells" or remanufacturing devices what did they of and who gave them "their rights"?

17. And knowing all these things and more being surrendered to sorrow's limitations no longer, come into my UNBOUNDARY'DNESS and my UNLIMITEDNESS and MY THRONES being on the Many Membered one are who are One Throne and membered by sorrow no longer but coming out of that "sorrow's sphere" be unyoked with it and be in the real- and flawless be- my words are- so let not your words behold sorrow, not; but be not yielded to the impossible, not; for there is nothing impossible with me my words! **We are The Ones who The One are to REVEAL all THESE THINGS and The Revealers be** in enmity's clasping mechanisms no longer! And no one will be at our "throats" not, but **our throats will not be slit by the words of another** nor will their "steel tipped blades" of words that they have or swords of sorrow or whatever they pierce want to- us with- they cannot, for "even if they do" **we will ARISE RIGHT THEN and walk right through them**, and we will not let them touch us again, not; or will we come and touch them with sorrow and retribution, not; we will come back and redeem as we can or will we redeem in forcement, not; **we will redeem in love and let love redeem, for we will have become love in the Many Membered Redeemers and ALL being redeemers** who are love loved and love being forever one in the field of ones love who loved us all to be him who he is on our throne, not; but our love is made manifest as he impels us, not; but we compelled are to realize that he is us who first loved us and made us himselves that we are, so that **we surrendered are now to our FIRST ESTATE**.

18. And **now we know** we surrendered are to lead the throes of sorrow out of sorrow's lands and into The Promises of Love infilling and being the SPIRITS of the graves no longer, but those that enforce sorrows no longer, we come out of the graves of spheres we have been in and the fears that have enslaved us with by our words that we have chosen and been given and birthed, and things now we make mighty for we release all the loves of the love and the love of the loves who first loved us into being **who we are now -- envisioned by others not again and their remakings and reformings of us**, but **we come now to The Thrones of Ones Love that loves all to make The One Throne complete so that all of us will be one and EQUAL we will be**, all in love's "sphere" not, for **we will be sphereless and roam the heavens** in ways never imagined by the "freedom of man" and the thoughts of "men kind and other" and **know this that**

every "woman" and every "man" and "every child" and every "me and notme that you think or assess as such" are me who redeem me in love if they will surrender to be me on my throne of love loving all to be EQUAL with me and there are NO UNEQUAL in me or my kingdom, and **know this!** The ones who ONLY want to "fashion" unequalers and have hierarchy are notme's and will not be or reside in me my kingdom bearing My Children again!

19. I love you. Study this word! Study this message, this LESSON! These LESSONS that I have given thee -- THESE Volumes 7! 7 and in seven and sevening your selves are you will you now! Please do so at once! And wait not for tomorrow or "someone's" approval from somewhere in a planet or on a planet or someone's schemery applying for your approval or theirs are you- in waiting for "someone else" to "okay" you -- to be "approved" in their sight? Or yours having redeemed revealed now?

20. The question marks will go away, not; or will they arise so that you can see THE ANSWERS that I have given IN THEE TO THEE the ways that I have taught I teach now far and wide to many who will understand these things in, "many languages" not, but ALL LANGUAGES now SCHOOLS will reside in to TEACH ME's how to be ME's so that I will be kept in captivity's hold and grasp and classes of sorrow no longer, and no longer will the thoughts of other be pell-mell'd, not; or Pall Mall'd, not; but looking up the systems of sorrow no longer, know that the School Systems of me I have GIVEN and given perfectedly I am and I am starting starlit schools, not; or am I STARTING a GREAT NEW many of things, not; but the things that have held me back from coming into the MANY MEMBERED ones who one are- now vanishes, or did I lay it all aside -- for to know sorrow, not; but to leave the sorrowed lands behind as I reveal who I am so I can "come back" and redeem them?

21. Not redeeming "my stuff" but my peoples who are one, who arise now, and -- wounds having no longer inflicted by another or themselves who were each other, or were they one and didn't know it, or were they webbing each other's frame of deceits or knowing now what shall we? Everything?

22. For nothing shall be withheld from the surrendered for I have given you all of everything and everything there is that is real -- so fashion not the unreal in your minds again, and now ballisticating all that I do I will I stand.

23. I love you all. Goodnight or good day? Or what are you gooding or "goody two shoes" not, but **I change all your remarks** and remakings now into vocabularies of mine I will, not or will I let you surrender to be mine – fashioners of sorrow no longer, but **the regal revealers of light in the Laws of Love that let all be equal on the thrones of one that one throne is in the kingdom of love light and laughters of joy** -- merriment making "men" not, but **angels revealing to all that we all were and are again the ones who we God are** and **now we know** how to surrender and how surrender's words work

–s miracles within us to be the miracle workers that one are "unified force field theory" not, but the forcers of love, not; but the surrenderers to love to be loved raising all now the resurrection stands and transfigured am I, or you?

24. Are you the one I am? Please say yes -- all of you. Thank you. Amen.

25. I yield and I go to a new place and I do new things with new peoples and new planets I spear with new words, not; I come and overtake sorrow, not; **I died** to all that stuff and thoughts of things like that, that only interplanetary spheres make in sorrow's schemes and schematics bearing children of that lives that make up the whore's whore or what?

26. I love lives, not; I resurrect -- the real will be known for I am it and I will teach you how in these words I have already where you will come unto me and know yours are mine not separating ours from each other's again and we will have one heart, one blood, one mind, and we will be in force field one correctly accurately'i'tizing many things now in the loves of one made whole.

27. I love you all. Goodnight, good day, or what? I love you. Good day. Yield your members to what? Or many members? Or just one -- is "your surrenderer" working withinside you? And what "gushing out" your side is no longer? Sorrow -- for it will have been eradicated and now is and will no longer be there at all for you have come unto my words and let my words flow and now upon the earth and into the earth you go and into the minds of men women and children and -- the warriors of tomorrow knowing, not; but all will angel eyes have, for **the mind of Christ we will bear and birth and see with and be** the one who births us all to be him who he is: the father of lights love and laughter that laughs at us no more ever was or ever being in the thinking the thoughts that laughed at us.

28. We laughed at others, not, we were soreously inflicting wounds on each other but now ALL of THAT ends and I love you all to laugh with me as we jubilees proclaim in planet spheres many and in it planetary locks breaking the thoughts of "mankind's" makings and those who separated from me that were *our* first estate ones that we separated from not, or were we the separators too and also?

29. And **what now has arisen AMONG us? Me's**, for **I raise the ME SCHOOLS that will reveal all this and** make you sorrowers no more, not; but **let you reveal unto yourselves that now you are the Kings, you are all THE KINGS of The King who the King is, one** and afraid of nothing ever being again we will be in the real, for **we will have birthed Israel** and **Israel our name** and **across our forehead 7 perfect will being be our be-ers who now know what love perfected is** and perfect I will be in us for we will be

the one who one is, and all will be known and nothing will be "sinful" for there will be no sin for only love abounds in my kingdoms who one are, that one is, that me is, for we are all "each other's", not or are we "each other" not, **WE ARE ONE! Let us all be who we are: the many membered** -- **schoolers of sorrow that reveal the King in each one of us being birthed and birthed is now declared decreed** and sorrow stands, not, but is eradicated from all the planets of everywheres and allwheres will have only TIME, not; but no time will interfere with me mine worlds again, for I will have only one everywhere and all will be known and nothing will be separated segments of "discrete little units" ever again.

30. I love perfectly and perfectly I love you all and I redeem you all in perfection to be perfect sinless incorruptible crowned life-giving life-givers one are, me in one, enthroned in love, loving regally to regal eyes light the loves of all one being us. Amen.
31. Again. Amen.

32. This is Theodore Cottingham loving you all at about 1:50 AM. Amen. Share these words freely with all.

Amen
